

Not only does Brett Giese, left, and his Crowne Pacific Homes have a lot of satisfied customers like Mimi Wilson, shown above, but the Campbell River company also won three Silver C.A.R.E. awards from the Canadian Home Builders Association recently.

Crowne Pacific of Campbell River awarded 3 silvers

Crowne Pacific Homes of Campbell River has recently been awarded three Silver C.A.R.E. awards by the Canadian Home Builders Association.

The event was held recently in the Diamond Ballroom at the Empress Hotel in Victoria. Crowne Pacific entered three homes and all were finalists in their category.

It was a great night with a record number of entries, exceeding 340 submissions, and some intense competition from the south island.

The C.A.R.E. award finalists are selected by a panel of industry professionals from the Lower Mainland, using criteria such as architectural character, quality workmanship, energy efficiency and sustainability.

Early in 2010, Crowne Pacific Homes plans to

include in its projects, acting as the general contractor on a 36 unit condominium project, The Waterside, situated on the South Island highway in Campbell River.

This project will be undertaken in conjunction with Bonaventure Land Corporation, and it is estimated that occupancy will be early in 2011.

For more information on these awards, The Waterside or any other projects, you can visit Crowne Pacific Homes on their website at www.crowne-pacific.com.
